

CURRICULUM VITAE

Name George Groenewold
Address Schenkade 124, 2595 AS The Hague, The Netherlands
Nationality Dutch
Born 16-12-1953, The Hague, The Netherlands
E-mail groenewold@nidi.nl

Education *M.Sc.* Demography (Cum Laude), University of Groningen, 1983-1986, with minors in Economics and Anthropology
B.Sc. Social Geography, University of Groningen, 1977-1981

Languages Dutch (native language)
English (Speak (++), Read (++), Write (++))
German (Speak (+), Read(++), Write (-))
French (Speak(+),Read (+), Write(-))
Spanish (Speak (+), Read (+), Write (-))

Qualifications and skills Demographic/Social Science Research; Lecturing on Demography (Theory, Methods, Software applications); Sampling techniques & Statistics; Survey design, - implementation, -monitoring and evaluation; Programming skills

Research interests International migration and migrant integration, life-styles & health of migrants, population projections and scenarios

Work:

Since 1995 Research and project coordination activities, Netherlands Interdisciplinary Demographic Institute (NIDI), The Hague
Work:

1. Research: Population and development scenarios and projections, international migration and migrant integration, mortality estimation methods, health status & differentials, survey data and sampling methods,
2. External reviewer of journals & grants
3. Contributor to project formulation & acquisition:
 - . Monitoring Financial Resource Flows for UNFPA population activities (1996)
 - . Training government staff in Population, Health and Development and population projections: Surinam (2002), Eritrea (2003), Eritrea (2006)
 - . Scenario's Multi-etnische Samenleving (SMS) 2010-2040 (2009)
 - . FP7 Mediterranean Prospects (MEDPRO) 2010-2050 (2009)
 - . FP7 Forward Looking Analysis of Grand Societal CHallenges and Innovative Policies (FLAGSHIP) (2012)

1992-2006 Short-term Consultant for UN agencies and EC
Work:

1. Survey design and analysis covering various Population and Development issues
2. Training in demographic methods, theories and analysis
3. Migration theories and methods

Countries: Botswana, Bangladesh, Egypt, Eritrea, Ethiopia, India, Jordan, Malaysia, Philippines, Senegal, Surinam, Turkey, Tanzania

- 1992- 2000 Lecturer Quantitative Methods in Social Sciences and Computer Applications at Institute of Social Studies (ISS), The Hague
Work:
1. Course design, lecturing on analytical demography, social statistics, research methodology , popular statistical and demographic software
 2. Student research/thesis supervision
 3. Research on population and development dynamics in rural fishing communities in Asia and Africa (in collaboration with FAO and university staff in Asia and Africa).
- 1990-2000 UN-FAO Associate Officer (1990-1992) Regional Advisory Services for the Middle East and Western Asia, FAO population and development consultant (1992-2000), at Food and Agriculture Organisation of United Nations (FAO), Rome
Work:
1. Integration of Population Education, Information, Communication (IEC) in rural development projects, Impact evaluation studies rural development Near East and North Africa
 2. Formulation, acquisition, and implementation of research: Preparatory phase (1992-1995) and main phase (1996-2000) of UNFPA/FAO interregional project on population and development dynamics in rural fishing communities in six countries in Asia and Africa (FPA/INT/287, FPA/INT/695).
- 1987-1990 UNFPA-UNDTCD Associate Expert in Demography at Demographic Research and Training Centre (DTRC), Addis Ababa University, Ethiopia
Work:
1. Lecturer analytical demography, statistics, software applications
 2. Research: on determinants of health status in children ; fertility & family planning behaviour of women in Addis Ababa
 3. Project formulation, acquisition & implementation of UNFPA-funded survey projects, (1) Anthropometric indicators of nutritional status and socioeconomic conditions of hospitalized children in Addis Ababa, with staff of Black Lion hospital; (2) Determinants of Fertility and Contraceptive use in Addis Ababa, with staff of Family Guidance Association of Ethiopia.
- 1987-1987 Demographer at Provincial Planning Agency (PDD Noord-Holland), Haarlem
Work:
1. Research on internal migration in the Randstad region.
 2. Technical contributor to combining two projection models (IBP and PRIMOS)
- 1986-1987 Statistical Analyst and software application developer at National Hospital Institute of the Netherlands (NZI), Utrecht
Work:
1. Centralisation and computerisation of health and financial data flows from Dutch health institutions to NZI
 2. Research (Health sector financing, Decision-support system software in health sector)
- 1985-1986 M.Sc. research thesis: design, implementation, analysis of 1985 American Samoa Intercensus Survey). Field research stationed at Development Planning Office, Pago Pago, American Samoa

Participation in international projects:

1. Employment 2025: How will multiple transitions affect the European labour market (NEUJOBS)
2. Prospective analysis for the Mediterranean region (MEDPRO), (2010-2013). Population and Development scenarios for EU neighbor countries in South Mediterranean region
3. The Integration of Second Generation Immigrants in the Netherlands (2005-2011). Sampling and data processing issues and substantive research based on survey data
4. EU Fundamental Rights Agency surveys on discrimination and victimisation of EU-27 minorities . (2007-2009), advising on sampling strategies of EU-wide surveys
5. UNHCR surveys. Survey design and analysis of living conditions of refugee populations, asylum seekers and displaced Persons in Armenia, Sri Lanka and Ecuador (2005, 2006)
6. UNFPA training on Population, Health and Development and population projections for government staff in (1) Surinam (2002), Eritrea (2003, 2006) Theory, Methods, Applications
7. UNECA/UNFPA, Training on migration theory, methods and measures to CIS country government officials. Geneva, (2005)
8. EU/WFP, Design, monitoring, evaluation, analysis of impact of food assistance, micro-credit, and population education (IFADEP-1) on recipients in three regions in Bangladesh (1996-2001)
9. EC/EUROSTAT, Push and pull factors of international migration. Design and analysis of multi-country surveys in Ghana, Senegal, Morocco, Egypt, Turkey, Spain, Italy, (1996-2000)
10. UNFPA, Expert Group Meeting on Innovative Techniques for Population Censuses and large-scale Demographic Surveys (INNOTEC), The Hague, (1996)
11. UNFPA, Capacity building at the University of Botswana: establishment of a Population and Development Training Programme as part of UNFPA Global Training Programme on Population and Development, Gaborone, (1995)
12. UNFPA, Lecturer/Researcher in Global Training Programme on Population and Development at the Institute of Social Studies, The Hague, (1992-2000)
13. UNFPA/FAO interregional projects FPA/INT/287 and FPA/INT/695, Strengthening of research and training on population development dynamics of rural fishing communities in South and Southeast Asia and Africa, (1992-2000)
14. FAO Regional Advisory Services for the Middle East and West Asia, Rome, Italy, (1990-1993).
15. UNDTCD-Capacity building and establishment of the Demographic Research and Training Centre at Addis Ababa University, Ethiopia, (1987-1990)
16. UNDTCD/South Pacific Commission American Samoa Territorial Household Survey 1985
